

# Sample PDF Generator

---

Title	Body
Item 1	I am item 1 body text
Item 2	I am item 2 body text
Item 3	I am item 3 body text
Item 4	I am item 4 body text

This is another few sentences of text to look at it. Just testing the paragraphs to see how they format. jsPDF likes arrays for sentences. Do paragraphs wrap properly? Yes, they do! What does it look like? Not bad at all.
